Child Support Form**

Professional or occupational licenses, certificates or permits may be denied or restricted if back child support is owed by the person holding the license. The License for Educational Personnel issued by the Nevada Department of Education is subject to this new requirement mandated by the Federal Government of all states.

Every application for a professional license must include a statement regarding the applicant's child support payment status. If the applicant fails to answer the questions or sign that portion of the application, the person's application will not be processed. If the applicant reports that he is not complying with a support order or approved repayment plan, then the applicant must contact the local District Attorney or the Welfare Division to arrange for payment of child support.

Please mark the appropriate response. (Failure to mark one of the three options will result in denial of the application.)

- ☐ I am not subject to a court order for the support of a child.
- ☐ I am subject to a court order for the support of one or more children and I am in compliance with the order or I am in compliance with a plan approved by the District Attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order; or

Under the new procedure, a District Attorney's Office or the Nevada Welfare Division will send a written notice to the person who:

- 1. Is past due in child support;*
- 2. Fails to provide health coverage for a child; or*
- 3. Fails to comply with a subpoena or warrant relating to a child support proceeding.*

The notice will be sent by certified mail, restricted delivery, return receipt requested. The person has 30 days to satisfy the past due support or comply with an approved repayment plan, or provide health coverage, or comply with the subpoena or warrant. Or, the person may request a hearing challenging the finding that he owes back child support, has failed to provide health coverage, or is not complying with a subpoena or warrant in a child support proceeding.

If after a hearing is held the person is found to owe past child support, has failed to provide health coverage, or has refused to comply with a subpoena or warrant in a child support proceeding, the professional or occupational licensing agency will be notified by way of an "Order to Suspend". Upon receipt of the "Order to Suspend", the professional or occupational licensing agency must suspend or restrict the professional license as determined in the hearing. The agency issuing the professional or occupational license, certificate or permit shall reinstate the license after receiving information from the District Attorney's Office or Welfare Division that the person is in compliance with the child support requirements.
